# Ever popular Mt Pleasant Farmers Market flourishing

With the farmers market hall and consistently patronised breakfast atrium bustling every Saturday, the Mt. Pleasant Farmers Market continues to flourish with market membership on a high, and stall holder numbers holding steady. The market will be celebrating their milestone 10th birthday early in 2022.

Market Manager Genevieve Hebart said, "from humble beginnings the market continues to grow, providing opportunity for the local community to shop local and support local. Many of our stallholders, family owned and run, report that their businesses have thrived over the last 10 years under the Farmer's Market banner. It is a win-win for community".

Marketing Manager Terese Stephens said, "Market shop-

*Sandra Keatley and granddaughter Lily, from Pebbly Range Limonsin Beef.*

pers are spoilt for both variety and quality of stallholders, recently enhanced with Coffin

Bay Premium Oysters joining the market on a fortnightly basis."

# “YOU MATTER TO GOD”

## Kersbrook Church of Christ

Contact Pastor David on 0458 589 996 or someone at your local church to find out more of God's love for you.

*“My body and mind may fail, but you are my strength and my choice forever.” Psalm 73:26CEV.*

St Augustine gave this advice: “Take care of your body as if you were going to live forever; and take care of your soul as if you were going to die tomorrow.” And he goes on to give further insight into the human experience by asserting that: “to fall in love with God is the greatest romance; to seek him the greatest adventure; to find him, the greatest human achievement.”

The Ligonier Ministries website offers insight into some of the realities of human love: “For as 1 John 4:19 tells us, ‘we love because he first loved us.’ It is the effectual love of God that first changes our hearts in order to make us capable of love, and it is His example of love that reminds us again and again of our need to love other people.”

There seems to be a general agree-

ment regarding the importance of loving relationships for children and adults and the potentially detrimental health consequences for people who experience loneliness and social isolation. Love is described as a ‘doing’ word so that we demonstrate our love for others in the things we do or do not do. And Romans 13:8 encourages us to, “*Let no debt remain outstanding, except the continuing debt to love one another, for whoever loves others has fulfilled the law.*”

“Faith in God has not saved people from hardships and trials, but it has enabled them to bear tribulations courageously and to emerge victoriously”, stated Lee Roberson. Sometimes loving others may require courage: Churchill is quoted as saying that, “courage is rightly esteemed the first of human qualities because it has been said, it is the quality which guarantees all others.”

Jesus demonstrated both love and

courage when he went to the cross of Calvary to redeem those who come to Him in faith and repentance. He fulfilled the purpose for which He came to earth and made possible the reconciliation between self-seeking, imperfect human beings and a holy and loving God.

In his explanation of Hebrews 9:22, Jeremy Myers explains: “through the Mosaic covenant, the people of Israel died to their old identification as slaves... and were raised again to a new identification as members of the household of God... the death of Jesus on the cross was to inaugurate the new covenant of God with the entire world, and to indicate to all people that we were no longer slaves to sin.” Hebrews 9:27-28 states, “*Just as man is destined to die once, and after that to face judgment, so Christ was sacrificed once to take away the sins of many people...*” Evidence, we believe, of God's love, because we matter to God.

# Love Woodside Quiet Green Achievers

By Ann W. - Many of you have heard of "Love Woodside" and even helped them in many ways. This group of marvellous volunteers have put a lot of time and effort into the community and were recognised at this year's Quiet Green Achievers Awards, at the Hills Environment Centre in Norton Summit. They were specifically acknowledged for the work they've done on Station Road (Woodside) at the Woody Trails Bike Park and community garden.

Over the past three years, Love Woodside have planted a community garden that includes vegies, flowers, fruit trees and native bees. They have just completed a native bee hotel and already have lodgers! Shrubs were planted around the Council storm water retention ponds, including bush tucker plants (donated by Ade-

Award winners, Love Woodside group: Trevor Kerber, Barb Haheşy, Bob Haheşy and Shaun Clark. John Fels (in front) and Chairman, Nev Davies (missing).

laide Hills Toyota). These plants encourage more native bees, honey bees, and frogs to the area. Love Woodside hope the area will attract many visitors who can get ideas to use in their own back yards.

The work done on the Station Road site was made possible with kind donations from members of the community and many hours put in by the wonderful volunteers. There are so many other local projects

that Love Woodside are involved in, such as decorating the township for the Tour Down Under in 2019 (awarded 2<sup>nd</sup> prize) and 2020 (awarded 1<sup>st</sup> prize); the Red Poppy project for Anzac and Remembrance days (community helped by knitting, crochet, sewing and making banners); and only last week, members worked with the Woodside Commerce group to clean the Main Street's footpaths and gutters.

If you'd like to know more about Love Woodside, please contact them via Facebook.

## “Should I renovate my house before I sell?”

This is a question most home owners will ask themselves, especially before making the decision to sell. Whether it is a bathroom refresh, a new paint job or a full kitchen overhaul, these tasks can be both stressful and often much more expensive than first thought.

What should you do to your property that will add both **SALEABILITY** and **VALUE** without unnecessary time, effort and expense?

Paint? Repair? Replace? Renovate? Style? Or even ignore?

You may be surprised by how a little of the right things can make a big difference. Eliminate stress and add real value. Ask us how!

Call the CE Property Group sales team on 0488 972 888 to arrange an appointment to discuss how you can add real value to your property before you sell or to arrange a property appraisal.

The **Kersbrook Soldiers Memorial Park** is celebrating the 100 year anniversary of the Park gates on November 11th, 2021.

We are intending on having the descendants of the World War 1 veterans listed on the Roll of Honor lay a wreath.

**Any descendants wishing to participate please contact Kev Brealey by email at [kevin.brealey1@bigpond.com](mailto:kevin.brealey1@bigpond.com)**

## Christmas in July?

We have the perfect dessert, Lions Christmas Cake! Serve warm with custard and/or ice cream - delicious. This month's special, buy a 1.5kg or 1kg cake and get a FREE pen! The cakes are also available in single serve sizes. Please phone Dave on 0417 821 107 (apologies for wrong number in last edition).

The Club will have

a stall at the Gumeracha Hall Market tomorrow (**Sunday 20th June**) where the cakes will also be available.

When you purchase the Lions Traditional Christmas Cake you do so much more than share a wonderful treat with friends and family.

The proceeds of your purchase fund medical research into children's cancer, mo-

bility aids for kids with a disability, blindness and emergency relief for people in need.

Lions support leadership development for young people and every Lions Club is meeting local needs in hundreds of ways.

Even better - because it is a Lions project, we make every cent count!

## Ever popular Mt Pleasant Farmers Market flourishing

CONTINUED FROM PAGE 1

"Another high demand product is the iconic fresh sourdough baked at Willaston, by Stone Shed Bread. An absolute winner with shoppers, artisan sourdough gourmet toasties are a bonus available every Saturday."

"Long standing stall holder Sandra Keatley of Pebbly Range Limousin Beef, just down the road at Tungkillio, educates consumers about her fine textured, tender, lean and healthy, grass fed Limousin beef. Testament to the taste, she regularly sells out of her much desired beef."

For garden lovers the market also has a good weekly range of plants from seedlings, herbs, perennials, me-

dicinal and natives. All locally produced from Mt Pleasant, Mannum to Youngusband.

Planning is well underway for the September Spring Garden Fling at the market grounds. The market invites plant producers from all over South Australia to attend every Saturday in September to participate in the Spring Fling. The result is a fantastic eclectic collection of plants, garden décor, tools, fertilisers for the garden lover to discover with a fun festival feel.

The market is held every Saturday from 8 am to 12 noon at the Mt Pleasant Showgrounds.

For any enquires, please phone Terese on 0418 301 121.

# Research about the Red Cross Bushfire Recovery Program

Seeking residents of Adelaide Hills Council to discuss their experience of the Red Cross Bushfire Recovery Program.

Our team at the University of Melbourne has been commissioned to conduct an external evaluation of the Red Cross Bushfire Recovery Program. This research seeks to understand how the Red Cross can best support communities impacted by bushfires; what works in the current recovery program; and what

could be improved.

In the **Adelaide Hills**, we are hoping to speak with service providers and community members who have engaged with the Red Cross.

### What does it involve?

- An interview or focus group discussion (30-60 min), in person or online.
- We will ask about experience of bushfire recovery in your community and experiences you have had with Red Cross.
- Results from the research will be shared with all par-

ticipants at the end of the project. Results will also be shared with Red Cross in an anonymous format (participants not identified), to strengthen future program development.

**TO REGISTER INTEREST, PLEASE CONTACT:** Dr Claire Leppold (Research Fellow) on email [claire.leppold@unimelb.edu.au](mailto:claire.leppold@unimelb.edu.au) or Phoebe Quinn (Research Fellow) on +61 3 8344 3097 or email [phoebeq@unimelb.edu.au](mailto:phoebeq@unimelb.edu.au)
