Easter Twilight Farmers Market at Mt Pleasant

As March pushes into April, the Mt Pleasant Farmers Market management is gearing up for one of their major calendar events - the Easter Twilight Farmers Market.

The annual twilight celebration is to be held on Easter Thursday, April 14th, from 4pm to 8pm at the Mt Pleasant Showgrounds.

The Easter market showcases the best of SA regional food producers, with a diverse product range from fish, cheese and milk, fruit and vegetables, wine and beer, sweets and chocolates, olive oil and honey, jams

and preserves, meat, dried fruit, artisan bread, and so much more!

Market Manager Terese Stephens said, "This is a great chance to gather your fresh food supplies for Easter in a relaxed country atmosphere with the added satisfaction of meeting and supporting local businesses and the people who grow and produce your food."

"Local artist Chloe Seabrook will be providing musical entertainment, and children's activities will include an Easter egg hunt and face painter.

Together with loads of dinner options, the market will feature local newcomer gin distillers Black Cat, crowd favourite Rehn Bier and local Elysian Springs Winery."

Terese says, "After your fresh food shopping is completed, enjoy the start to the Easter break with outdoor dining and drinks under the beautiful white gums. Please note, this year we open at 4pm and go through until 8pm."

For any enquiries please email info@mtpleasantfarmersmarket.com.au or phone 0418 301 121.

BIBLE PROPHECY - PAST AND FUTURE:

Many Christians believe that we are living in the last days prophesied in the Bible. The brutal invasion of Ukraine by Russia has many others concerned about where it will all end.

A large part of the Bible was prophetic when it was written, a good deal of which has already happened. For instance, Jesus Christ fulfilled over 100 prophecies, written between 500 and 1,200 years before he was born.

The establishment of Israel in May 1948 is a recent example of Bible prophecy being clearly fulfilled. Because of their persistent idolatry and disobedience

God ejected the Jews from the land He had given them, with the promise that He would bring them back.

Ezekiel 11:16-17(NLT)

v16 - "Therefore, tell the exiles, 'This is what the Sovereign LORD says: Although I have scattered you in the countries of the world, I will be a sanctuary to you during your time in exile.'

v17 - I, the Sovereign LORD, will gather you back from the nations where you have been scattered, and I will give you the land of Israel once again.'

THE FUTURE: In Matthew chapter 24 Jesus is asked by His disciples ... Jesus sat on the Mount of Olives. His disciples came to him privately and said, "Tell

us, when will all this happen? What sign will signal your return and the end of the world?"

Jesus tells of a coming time of great turmoil for this earth of ours, a time when the whole human race would be wiped out unless God steps in and puts a stop to it.

Matthew 24:21-22 (NLT)

v21 - For there will be greater anguish than at any time since the world began. And it will never be so great again.

v22 - In fact, unless that time of calamity is shortened, not a single person will survive. But it will be shortened for the sake of God's chosen ones.

The last book of the Bible has the good news - God is triumphant and those who have put their trust in Jesus Christ have a great future in store for them.

Revelation 21

v3 - I heard a loud shout from the throne, saying, "Look, God's home is now among his people! He will live with them, and they will be his people. God himself will be with them.

v4 - He will wipe every tear from their eyes, and there will be no more death or sorrow or crying or pain. All these things are gone forever."

The Bible has much more to say about our future than I can possibly share with you here, "You Matter

Award-Winning Lobethal Gardening Festival Calling for Gardens for 2022

The inaugural Lobethal Gardening Festival won the 2022 Adelaide Hills Council, Event of the Year. This is one of three major awards given on Australia Day and the committee were thrilled to receive it. Based on this success, how could they not go ahead in 2022?

The committee is calling for gardeners IN LOBETHAL to open their garden for the event. The idea is that the garden need not be perfect, a work in progress is just fine. It is about the wellbeing your garden affords you. How do you feel after getting

your hands in soil, planting, potting up, weeding, mowing, picking flowers, fruit, or vegetables from your plot of earth? If you understand the benefits of gardening, then why not let others see what you have created?

"Some of our 2021 gardeners will be in the festival again but we want new

gardeners to participate, and we know there are many out there," said Georgia Pope, committee President.

The event will be on Sunday, November 6th, 2022.

Please contact Georgia at msgpope@iprimus.com.au if you would like to open your garden.

AUCTION vs PRIVATE TREATY

Which option is right for you?

If the sale of your property is more important than the price you receive, then an auction may be the right choice for you. The real estate industry loves auctions as they give high exposure to the agency and a quick turnover in commission. A sale at auction may look very successful but is the result the best possible for the seller?

Some sellers love the theatre of an auction, but if you ask most sellers what they really want, their answer is 'the highest price with the least possible stress and expense'.

If that sounds better to you, we can show you how you will make tens of thousands more, without the stress of an auction, when multiple buyers are interested in your property (which is very much the case in today's market for all properties).

The differences between a potentially good price (at auction) and the highest price (closed auction or private treaty) can mean very different things for your hip pocket.

If you're thinking of selling, which option is best for you? Please give us a call if you'd like some help understanding and answering this question.

Hills Harvest Exchange Survived Fruit Fly!

Like every organization, the Hills Environment Centre was closed during the early days of Covid. When restrictions were lifted and the doors were reopened, they were also looking forward to continuing the monthly veggie swap, the **Hills Harvest Exchange**. But no! They were in the fruit fly exclusion zone, so no flowering fruit and veggies could come in or go out.

With so many members keen to share their home grown produce, they hired the Uraidla Institute Hall to continue the veggie swap throughout 2021 until March 2022, when fruit fly was contained and they finally returned to their home in the Summit Community Centre in Norton Summit.

"We are so grateful to the members who

were able to support the Hills Harvest Exchange throughout this time and the new friends we made in Uraidla", said Val Hunt Coordinator of the Hills Environment Centre. "The Hills Harvest Exchange has been running for 9 ½ years with many original members still coming along. A lot of people took up home veggie gardening during lockdown and we invite them to come along to our veggie swap to share produce and more importantly, knowledge about growing and cooking fresh herbs and veggies".

The **Hills Harvest Exchange** is held on the first Saturday of each month from 10am till noon at the

Summit Community Centre, 4 Crescent Drive, Norton Summit.

New members are always welcome to come and try - that includes a

very tasty guacamole which Andrew makes every month.

LIONS NEWS

The Torrens Valley Lions Club is slowly getting back to normal, with our regular meetings on the 1st and 3rd Tuesday of each month, as well as our coffee mornings.

Our dinner meeting for March was at the Charleston Hotel,

where 2 of our members were "guest speakers," each giving some interesting (and some funny) facts about a country in our Lions International Community.

The club would like to say thank you to those who donated

funds, via the Australian Lions Foundation website, for the affected people of southern QLD and northern NSW floods. 100% of the donated funds go to help the victims and NONE is used for administration.

In April, we will recommence the Buntings BBQ's for our fundraising efforts.

We are also looking into other fundraising ideas for the future.

Our coin drive continues throughout the towns in the local area - be sure to keep a look out for our donation boxes in local businesses at Birdwood, Gumeracha, Cudlee Creek, Mount Pleasant and Mount Torrens.
